WHO WE ARE

Rooted in Canada since 1987 and nurtured by both the generosity of our earth and the energizing effects of our winters, **Arctic Gardens** offers quality products of incomparable freshness inspired by the principles of northern agriculture.

Thanks to our proven preservation and freezing methods, our vegetables retain all their abundant taste and nutrition throughout the year. Ever respectful of our land and our growers, we pay daily tribute to the knowhow and dedication of the north.

OUR ACTIVITIES ARE GUIDED BY 5 VALUES

▶ KNOWLEDGE

Agricultural expertise on how and when to harvest.

▶ HUMILITY

Mother Nature decides, we must align ourselves with her.

▶ ETHICS

We pay attention to process safety and soil quality to ensure that the vegetables are clean, healthy and safe.

▶ RESILIENCE

We are agile and adapt to events to make our harvests a success.

▶ LOCALITY

Arctic Gardens is proudly established in North America:

- ▶ 5 Diverse agricultural areas located in Canada and USA.
- ▶ More than 80% of our vegetables are harvested in North America.

OUR COMMITMENT TO SUSTAINABILITY

Arctic Gardens continually strives to provide sustainable and environmentally responsible plant-based food solutions that contribute to the well-being of our stakeholders and the environment. Three main pillars support our social responsibility: Planet, People, and Governance.

1. PLANET

We support responsible agriculture and look for new ways to grow, prepare and sell our products every day to preserve the environment.

- Integrate sustainable agriculture and protect biodiversity
- Optimize our use of resources in plants
- Contribute to carbon neutrality

2. PEOPLE

We are committed to making a positive economic and social impact for our employees and communities.

- Support the social and economic vitality of our communities
- Fight food insecurity
- Provide a safe and inclusive work environment

3. GOVERNANCE

We are committed to conduct business through ethical behavior that promotes sound practices and build trust with our stakeholders.

- Follow Ethical business practices
- Ensure board's accountability and ESG leadership
- Report and disclose of ESG metrics
